Certes Financial Pros Receives “Best Places to Work” Award

MINNEAPOLIS—August 17, 2007—Certes Financial Pros is proud to announce that it has been named one of the “Best Places to Work” by *Minneapolis/St. Paul Business Journal*. An award for companies in the Twin Cities with innovative, fun cultures that drive business results, this is an admirable distinction that is given by being a top scoring business on an employee survey conducted by Quantum Market Research (QMR) and the *Business Journal*.

“The Mission of Certes is to create a rewarding professional experience in an environment that supports work-life balance and with a culture that puts employee needs first. By receiving this award, we have been validated that we are doing what we set out to do every day and that is always exciting for us to hear,” says Sally Mainquist, Certes CEO and president.

Certes will celebrate this award with its employees and other “Best Places to Work” honorees at a luncheon on September 13 at the Minneapolis Hilton.
