Accolades given for exemplifying ethical conduct in the workplace and beyond

MINNEAPOLIS—May 21, 2010—Certes Financial Pros, a leading provider of senior level financial staffing in the Twin Cities market, is proud to be recognized for its demonstration of the highest standards of business ethics by being named Minnesota Business Ethics Award (MBEA) recipient. This award was established by the Center for Ethical Business Cultures at the University of St. Thomas and the Minnesota Chapters of the Society of Financial Service Professionals.

“It is an incredible honor to receive the prestigious Minnesota Business Ethics Award. Certes Financial Pros’ employees exhibit values of integrity, honesty, and respect everyday in the work we do on behalf of our clients and this award validates the way we’ve always done business,” said Sally Mainquist, President and CEO of Certes. “We recognize that our strong ethical standards have equipped us to hire the best talent and provide the best quality of finance and accounting work to Minnesota companies and firms.”

The MBEA recognizes Minnesota businesses that exemplify and promote ethical conduct for the benefit of the workplace, the marketplace, the environment, and the community. A customer, client, employee, vendor, or private citizen who is impressed with a company’s demonstration of ethical business conduct may nominate a business for the award.
